## Mycotoxin Summer Talks 2016

The conference aims to address hot topics in the mycotoxin area and to facilitate new interactions among members of the great multi-disciplinary mycotoxin community with a special focus on Austria. The Summer Talks will be held in conjunction with the **Mycotoxin Summer Academy** which offers two subsequent one-week training courses on mycotoxins and their determination especially by liquid chromatography coupled to mass spectrometry (LC-MS).

---

### Venue & Accommodation

The talks will be held at the Universitäts- und Forschungszentrum Tulln of the University of Natural Resources and Life Sciences, Vienna (BOKU), in Tulln, Austria. The Campus Tulln is a world class facility in the area of mycotoxin research with more than 150 highly qualified staff working on this topic.

---

**Friday 08.07.2016 08:30 - 16:30**

**Internationally renowned experts** will provide **keynote presentations** followed by **contributed papers** and a interdisciplinary concluding **discussion**:

- Welcome and introduction:  
*R. Krska, BOKU/IFA-Tulln*  
*F. Berthiller, BOKU/IFA-Tulln*
- Key note speakers:  
*J. Hajšlová, UCT Prague, CZ*  
*M. De Bouvre, Ghent University, BE*  
*R. Öhlinger, AGES Linz, AT*
